Middle - PTT (Transmit)

Bottom - Channel Scan Toggle mode

DWPOA Talkgroups

- Channel 1 : General
- Channel 2: Medical
- Channel 3: Transportation
- Channel 4: Command & Control

Radio Guidelines

1. Speak clearly and use short transmissions
2. Clearly Identify yourself when you join a talkgroup
3. **Remember to keep your battery charged**
4. You can leave the power on when charging
5. Channels 5 and up are reserved for licensed HAM operators. Unlicensed users may listen freely. Avoid making any transmissions if you are not a licensed HAM operator.

Rules

The Dunes West POA prohibits unauthorized use of the radios and repeater network. All communications should be conducted solely for POA and/or Emergency Response purposes
